

## Race Report - Twilight Series Race 2

The second race of the Twilight series got underway on the evening of Thursday 19th May. Fine weather and steady wind conditions of Force 4 meant the relatively short course (due to low water) tested crews skills and the race was quick paced.

Glass Onion sailed an excellent first lap, and close racing for all 10 competitors was evident for most of the race.

The average laps race finished at 20:05.

Congratulations to Jacob McKenzie and crew on Glass Onion who were the winners. Second place was John Danby on Fizz and third place was Luke's Kolff on Amica.

We look forward to seeing you all next Thursday for the next race in the series.

Full racing results can be found [here](#)

My thanks to Tina Scott as RO and to all of the RMT who helped organise Twilight race 2.

Linda Sign

Captain of Racing
